## Parent Bus Tracking Application

- Where's My Bus? - Parents can view the location of the school bus to gauge arrival times each day
- Transportation lookup - proactively view your planned transportation info including bus stops
- Receive push notifications when the bus enters a user-defined geographic area around the stop
- Get the information you need from the transportation department without having to make a phone call
- Receive timely COVID-19 related messages or bus delay information
- Access all of your students through one secure login - parents only receive access by registering with data unique to their child
